

Amnesty International Report

September 1982

The release of Amnesty International's second report in 1982 coincided with Marcos Sr.'s 12-day state visit to the United States. The report documented 49 cases of serious human rights violations, including arbitrary killings, torture, and forced disappearances. In response, Marcos accused Amnesty International of fabricating evidence and manipulating witnesses.

Bunga ng dumaraming kaso ng pang-aabuso sa karapatang pantao ng diktadurang Marcos, nagpadala ang Amnesty International (AI) ng isang fact-finding delegation sa bansa. Inilabas ng AI ang resulta ng kanilang imbestigasyon sa isang ulat na inilathala noong 1982. Ibinahagi ng AI na nakakalap sila ng mga ebidensya hinggil sa apatnapu't siyam (49) na kaso ng pang-aabuso gaya ng pagpatay, tortyur, at sapilitang mga pagkawala. Bilang tugon, pinaratangan ni Marcos Sr. ng pagmamanipla ng mga datos ang AI.
